

On the Subject of Keypads 🔑

I'm not sure what these symbols are, but I suspect they have something to do with occult.

- Only one column below has all four of the symbols from the keypad.
- Press the four buttons in the order their symbols appear from top to bottom within that column.
- The framed symbols on white occur only once each.
- The colored symbols each occur a second time in a distant position.
- The gray symbols each occur a second time in a nearby position.
